### Webinar screenshot

Your webinar screen should look something like this without the coloured arrows.

This is what it all means:

The green arrow points to the mood button, when you click it the four coloured boxes pop up: Grey, Blue, Green and red. When you

click one of those buttons I get to see you put up your hand or your thumb up for “yes” and down for “no”

The red arrow points to the notes button... push it and a notes window pops up... you can either take notes that become available for everyone or notes that are just for you... the notes will be emailed to you after the webinar automatically

The Blue arrow points to the chat button... you can type comments or questions in here, either to me or the whole group

The yellow arrow points to the attendees list, but you probably don't have that on your screen at the moment.

*Thinking about my business, where it's at and where I'd like to get to, what I feel is:*

- a) *Frustrated/ , because I know exactly where I want to go but I just don't seem to be able to get there*
- b) *Overwhelmed because there are simply too many priorities screaming for my attention but I don't know which one to focus on next*
- c) *Daunted, because I know what to do, but I don't know how to do it very well*
- d) *All of the above*
- e) *Inspired and excited, running and developing my business is just the most fun I've ever had; I have a great life-style and I get to do all the stuff I love doing all the time.*

### **Our Purpose:**

*The purpose of this Webinar: How can we take the first steps to start to start to get less overwhelmed, daunted and frustrated, get our business moving in the right direction, start to have Fun in business again like we used to and build a business that sustains us for years to come.*

### **The Secret to success in business is a three-letter word:**

- 1)
- 2)
- 3)

We are not talking about \_\_\_\_\_ Fun... Not the fun we have when getting \_\_\_\_\_ on Friday afternoon

We are talking about the Fun of \_\_\_\_\_ how to make business \_\_\_\_\_ Fun.

## Small Business Masterminds: Fun in business

---

### Bedtime story of Brian

Brian owned a car \_\_\_\_\_ business. Brian was \_\_\_\_\_ because he couldn't seem to push the business \_\_\_\_\_ anymore

Brian ran around from \_\_\_\_\_ to \_\_\_\_\_

### Scale

Brian created a Fun in business \_\_\_\_\_ from 0 to 10. Ten on the scale meant he had as much \_\_\_\_\_ as he could possibly imagine and Zero was the \_\_\_\_\_

Every week Brian asked himself \_\_\_\_\_ questions:

- 1) How much Fun did I have \_\_\_\_\_ on the "Fun in Business" scale
- 2) On the same scale, how much "Fun in Business" do I want to have \_\_\_\_\_?
- 3) What specific things must I do, what specific \_\_\_\_\_ can I take this coming week to ensure I achieve that number on my scale?

One week Brian focused on improving his \_\_\_\_\_ and another week he focused on staff \_\_\_\_\_

### When business is Fun it means that:

- It means everything is \_\_\_\_\_.
- It means you are \_\_\_\_\_ money.
- It means you are \_\_\_\_\_ of the output of your business.
- It means your \_\_\_\_\_ love you.
- Your \_\_\_\_\_ are highly engaged
- And you have the \_\_\_\_\_ in your life you want.

### John's Cafe

John has a small \_\_\_\_\_ of cafes.

John employs a lot of \_\_\_\_\_ and casual staff

John's Fun system integrates with his \_\_\_\_\_ sheets

At the end of each shift all staff are asked \_\_\_\_\_ questions about the Fun \_\_\_\_\_ and what they can

do to have \_\_\_\_\_ fun next week and also what they want their \_\_\_\_\_ to do for them.
